

KINGDOM AIR CORPS

September 2024

Brooks Range Bible Camp (BRBC)

Eighty-five kids attended camp this year, several of those made professions of faith, and everyone heard the gospel. Girls' and guys' Bible studies were started last year using Zoom, and meet each Sunday. During camp several more teens signed up to participate in them, and we have seen the Lord working in their hearts through this Bible study time, which will continue throughout the winter. We are encouraged by the spiritual growth we have seen in both kids and teens and the impact BRBC has had on the villages that participate. We asked two of the teens who attend camp, "Why is BRBC important?" Here is what they said:

"It's important because for a village that doesn't have church on Sundays, it's sad and kids don't really know about God! So little kids always look forward to going to camp each year, and staff at BRBC always does a wonderful job making sure everyone knows God in a fun and interesting way! BRBC is also important because it inspired a lot of teens to grow in their spiritual ways!"

-Krista Hugo, from the village of AKP

"Bible camp has done a lot for my life. I learn about the gospel and get closer to God. We all have troubles and traumas and talking to God about them helps a lot because it lifts the weight off of my chest. Also, camp is fun, we learn how to craft different things and play fun games! The two years I went to Bible Camp were super beneficial. For my final year that I am able to go I would like to get baptized. I am very grateful for Bible camp and that we could have this and the young children also."

-Jamal Hart, from the village of AKP

Praise the Lord! We pray His will continues to be done through BRBC.

Spiritual Discovery Series

We were blessed with the summer sessions of our Spiritual Discovery Series! Teachings on Grace, Missions and Cultural World Views, Prayer, The Peace in Rejoicing, and Family in Missions brought us deeper understanding and insight into applying the Word of God to our lives. These sessions are part of Kingdom Air Corps' effort to prepare our pilots-in-training for missionary service wherever God calls them.

CONGRATULATIONS TO ALL OF OUR
SUMMER 2024 STUDENTS!

THEIR HARD WORK HAS RESULTED

Workers for the Lord

Did you know that all of KAC's cooks are volunteers? Some have experience, others have none, but all of them come with willing hearts and hands to feed all the families and individuals on the Ranch each day, three meals a day. This summer 13 of those amazing volunteer cooks prepared 15,639 plates of food! We are so thankful to these individuals for these hot, tasty meals to keep our students, volunteers and staff nourished for the work of Christ Jesus. And a huge THANK YOU to all of our volunteers and the nine work teams that helped put up the auto shop, worked on the triplex, sealed the log buildings, poured concrete, extended the sawmill, fixed power and water lines, worked on aircraft, fixed vehicles and equipment, hauled gravel, washed dishes, swept floors, made beds, and more! Each of you have furthered the work at KAC to reach the lost with the gospel of Christ.

A Note from Dwayne

We rejoice in God's many blessings this season at Kingdom Air Corps. We see the Lord's hand in both our day-to-day accomplishments, as well as in our planning for the future. Our Board of Directors formalized the appointment of Joe Gerwig as Director of Operations, responsible for the day-to-day operation of Kingdom Air Corps. He is doing a great job, and we have full confidence in his capable leadership.

I am now the Executive Director, responsible for steering the mission with continued vision for growth, direction, and purpose. We desire to train greater numbers of missionary pilots to serve around the world. We plan to grow in three areas:

- Increase the number of flight students over the next several years.
- Develop the property to accommodate this growth with more robust utilities, housing, a larger dining facility, and more.
- Continue to expand spiritual training for missionaries.

We are encouraged and celebrate with our many flight students who completed their check rides at the end of the season. Our prayers are with them as they seek God's direction in their lives in following his Great Commission to "Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you." (Matthew 28:19-20a).

Thank you for praying, volunteering, and supporting Kingdom Air Corps! You continue to be a tremendous blessing to us!

Calling all PARTNERS!

Kingdom Air Corps is planning to train more pilots each year to work in God's harvest field to take the gospel to those who have not heard. With your help, we can do this for the glory of God.

Each flight student needs a place to live, meals, the use of an airplane, a flight instructor, and spiritual training. It takes continual effort and a team of people to cook those meals, maintain the airplanes, and keep the facility clean and organized as people come and go!

It is our delight, for sure, but we couldn't do it without our prayer partners, volunteer workers, and financial supporters.

Will you join us and share in the joy of doing God's work!

Please consider giving monthly to winter projects like aircraft maintenance and facilities upgrades needed to train our missionary pilots!
