# KINGDOM AIR CORPS

## From the Director of Operations

Another summer of training missionary pilots to evangelize the isolated with the Gospel of Jesus Christ has started at Kingdom Air Corps! Our heart is truly to see workers go into the harvest as Matthew 9:37-38 says. We have a theme for the summer: Lifetime of Service. We are extremely excited for this year's group of students, and their heart to carry that out!

Spring is always a time of transition, preparation, and sometimes panic as we get ready for our busy summer schedule. But when we panic, our hearts are not in the right place, and we need to trust in the Lord. God has equipped us. God has given us a great team of staff, who have worked hard together to be ready for this summer. We are ready! We have plans for much flying; maintaining airplanes, buildings, and vehicles; cooking, eating, and cleaning alongside many volunteers and work teams. We have plans for many great devotional speakers, testimonies of how God has changed lives, Bible studies, mission classes, ministry, teaching, and learning. Proverbs 16:9 says, "In his heart a man plans his course, but the Lord determines his steps." We have these plans, and are excited for the summer, yet know that God has even greater plans, and not everything will go according to our plan.

Ecclesiastes further says that there is a time and season for everything. We have been extremely blessed the last two years that our Treasurer, Carolyn Snedigar, has been serving with us. She has served with her God-given gifts and skill, with heart and passion! In this time and season, she is moving on from KAC. We are sad to see her go, yet know that God has a plan for her, and for us. In June we will welcome a new Treasurer to KAC, Teri Piziali. Please pray with us through this transition, for Carolyn, Teri, and KAC.

Though we do not know the details, we are excited to keep moving forward, seeking the Lord, and watching His plans unfold before us. God is leading KAC to grow, and we are stepping forward, following our mission and vision, staying within our priorities and goals, praying for God's provision, and seeking to glorify Him through it all. Will you join us in this?

Thank you!
